Bridge clearance (mast up)	13' 10" 4.22 m
Height on trailer (mast down, estimated)	13' 6" 4.11 m
Length on trailer (estimated)41' 12.5 m
Fuel capacity	180 US gal 681.4 L
Water capacity	60 US gal 227.1 L
Hot water capacity	11 US gal 41.6 L
Waste capacity	40 US gal 151.4 L
Weight, dry	12,000 lbs 5,443 kg
Engine	Volvo D4 320 HP common rail diesel engine

The R-31 S shares many of the features and qualities of her smaller sisterships but some notable additions to this larger model make her ideal for extended cruising while still being a trailerable trawler. The builders at Ranger Tugs equipped the foredeck with seating and a table that can be raised or lowered depending on whether the boat is under way or at anchor or dock for entertaining. In addition to the foredeck seating, the R-31 boasts a larger cockpit area with wrap-around seating utilizing seats that fold out of the gunwale. When not entertaining, seats are folded leaving the cockpit unencumbered.

The interior layout of the R-31 S features two staterooms—one large island berth forward with en suite head and a midship berth and day head. Those who are familiar with Ranger Tugs models will recognize the galley layout and helm station that maximize interior space. A starboard side door provides easy access from the helm to the side decks so crew can get to the bow for line handling.

Like all Ranger Tugs, the R-31 S comes essentially turnkey with standard features and equipment intended to make her owner's experience hassle-free and allow for ease of handling and comfort under way. Standard equipment includes bow and stern thrusters and a Volvo D4 320 HP engine that achieves a 16 knot cruise speed.

Model Features

Garmin 8616xsv Chartplotter with xHD Radar

A full navigation package from Garmin including the large 8616xsv GPS chartplotter with sonar and xHD radar is standard equipment on the R-31 S. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and much more.

Multifunction Seating

Innovative, one of a kind, expanding gunwale seats transform the cockpit into a social area, with seating for six+ and a beautiful wood table. True to Ranger Tug's DNA, all the seating in the R-31 S maximizes available space and usability.

Full Galley

The full galley aboard the R-31 S is a chef's dream, featuring a propane stove and oven with broiler, double basin sink with pull-out rinse faucet, cutting board, silverware and utensil drawers, large cabinets, refrigerator/freezer combo, 110v outlet, wine/water cooler and microwave.

Solar Panel

The included solar panel helps to keep your batteries charged while you're boating off-grid. Now you can go further and stay longer without the need for shore power or a generator.

Bow and Stern Thrusters

Included bow and stern thrusters make docking and close quarters maneuvering a breeze. The wireless thruster remote allows for additional flexibility and control.

Helm Door

The R-31 S features a full-size helm door allowing convenient access to the bow and easy fender and line handling.

Midship Stateroom

The midship stateroom aboard the R-31 S is large enough to comfortably sleep two and features a day head as well as a hanging rack for additional storage.

Standard Features

Performance

320 HP Volvo D4 diesel inboard
