

Ranger Tugs. Real Cruising.

Real cruising is as much about the journey as the destination...and the all-new Ranger R25 is all about both.

Designed to provide maximum comfort and versatility in an easy-to-own, easy-to-operate trailerable mini-yacht, the new R25 offers a full 8-½-foot beam for roomy on-deck areas and large interior spaces. Private compartments allow sleeping accommodations for up to five. There's an enclosed head with shower, sink and marine toilet, a helm with full instrumentation and an optional navigation package, and a galley with sink, stove and refrigerator. Large cabin windows and overhead skylight hatches help brighten the interior and offer a panoramic view all around.

The roomy self-bailing cockpit is ideal for fishing or outdoor relaxation; a transom door leads to the full swim platform, and there's room atop the deckhouse for stowing anything from crab pots to kayaks.

Standard diesel inboard power delivers exceptional fuel economy, even at planing speeds. Available options allow customizing the Ranger R25 for comfortable year-round cruising and effortless operation.
