

Ranger Tugs. Real Cruising.

Imagine the Possibilities

Imagine a 40-foot cruiser with sleeping accommodations for up to six adults, live-aboard accommodations, a complete navigation electronics package and the economy and reliability of diesel power. Imagine its headroom and elbow-room, complete galley and head with shower, and its standard bow and stern thrusters for pinpoint maneuvering.

Now imagine all this—and more—in a trailerable 29-foot hull. That's the idea behind the Ranger R-29, a comfortable family cruiser offering admirable range, a smooth ride, responsive performance and all the standard features you need for a cruise itinerary that could be measured in weeks, not just weekends. Among the R-29's many noteworthy features are two private double staterooms plus a convertible dining banquette that converts to a third berth; a fully-equipped galley that's

ergonomically arranged for efficient meal preparation; large view windows and five opening skylight hatches for outstanding light and ventilation. There's even a pilothouse door for immediate access to the foredeck, and a molded-in cabinet in the self-bailing cockpit for refreshment service and additional storage.

Thoughtful extras include a cabin-top rack for securing water toys, crab pots or bicycles; a stainless steel railing system surrounding the transom platform; and a hinged mast for trailering and access beneath low bridges. You can also select a variety of just-right options to tailor your R-29 exactly to your cruising style; these include a diesel generator, enhanced navigation electronics package, autopilot, air conditioning...even a Kyocera solar panel to keep batteries fully charged and to power selected onboard electrical systems.

All this in an easy-to-operate, easy-to-own cruising vessel that feels a lot bigger than its dimensions. Imagine.

Ranger Tugs R-29 – Specifications

Length Overall	29' 0"	8.9 m
Length w/swim step	33' 0"	10.06 m
Beam	10' 0"	3.05 m
