

R-27

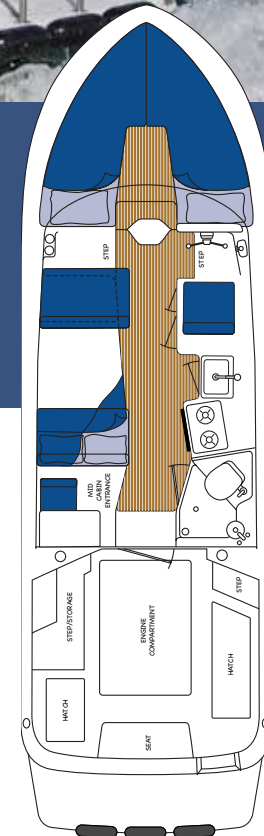

The R-27 has nearly 50 Sq ft of aft deck space allowing for easy access to the standard 200 HP Volvo diesel while keeping engine noise out of the cabin. The well appointed cabin has a midship office with desk and seat, this space also converts to a berth that sleeps two. The dinette table is on a hydraulic piston that allows for an easy conversion to a berth or lounging area. The spacious front v-berth sleeps two adults and is over 6'5" in length. Cooks will love the standard galley which includes a sink, refrigerator, inverter, microwave and a combination propane stove/oven. The marine head is standard with an electric flush toilet, glass vessel sink and shower.

The Ranger R-27 is perfect for comfortable year-round cruising and effortless operation. The included solar panel will keep your batteries topped-off while you're away from the dock. Yacht sized features like standard bow and stern thrusters provide for excellent maneuverability around the dock and the 8'6" beam allows the boat to be easily trailered.

Specifications

LOA molded	27' 1"	8.26 m
