The R-25 is a feature-packed cruiser designed for comfort, ease of use, and FUN! You'll find the Ranger Tugs DNA built into every facet of the R-25's thoughtful design.

Right away you'll notice one of the most innovative features of the R-25, our Clear-Path swim platform. The extended swim platform wraps around the outboard to present a clear walkway free of all engine rigging, which opens a whole new world of fishing, cruising, and water-sports opportunities. This exciting new design features heavy duty handrails and allows you to safely and easily board a dinghy, net a fish, step to or from a low dock (important for pets), and med-tie without fear of damaging your outboard and having to leap to the dock.

The main salon on the R-25 is light and bright, making it a perfect spot to relax or entertain. The dinette seats four or converts to a bed for two. The forward stateroom is private and comfortable featuring a large bed, opening hatches for airflow, reading lights, and a TV. The R-25 features a fully enclosed head equipped with an electric marine toilet, sink and shower. There's even a spacious quarter berth with a removable mattress that can be used to accommodate guests/kids or for expanded storage. An electric/alcohol stove top, refrigerator/freezer combo, microwave, and sink with hot and cold water, make food prep fun and easy.

The easily trailerable Ranger Tugs R-25 is a fantastic boat for cruising, fishing, and fun on the water. The private head, extended swim platform, multiple sleeping areas, and full galley give you everything you need to get away from the dock and spend some serious quality time with (or without) your friends and family.
