Bridge clearance (mast up)	12' 10" 3.91 m
Height on trailer (estimated)	12' 5" 3.78 m
Length on trailer (estimated)	38' 9" 11.81 m
Fuel capacity	145 US gal 548.9 L
Water capacity	45 US gal 170.3 L
Waste capacity	40 US gal 151.4 L
Weight, dry	10,500 lbs 4,763 kg
Engine	Volvo D4 320 HP common rail diesel engine

The Ranger Tugs R-29 S (Sedan) is another masterpiece of innovation. The contemporary styling features a curved front window and an overhead glass atrium that provides exceptional visibility from the helm station and salon area. An ingenious aft cockpit seating arrangement includes a reversible seat, port and starboard jump seats and a teak table for outside dining. The opening cabin bulkhead with reversible seat provides additional cockpit seating while bringing the outside-in.

The Ranger Tug R-29 S accommodates up to six adults on three separate berths, including the forward island berth with en-suite head. The R-29 S is powered by a fuel efficient 320 HP Volvo Inboard Diesel engine that is located completely outside of the cabin for quiet cruising. Standard stern and bow thrusters make docking exceptionally easy.

Model Features

12" Garmin Chartplotter with xHD Radar

A full navigation package from Garmin including a 12" GPS chartplotter with sonar and xHD radar is standard equipment on the R-29 S. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and much more.

Multifunction Seating

From the reversing sunset seat, which can face towards the cockpit or aft to take in the view, to the opening bulkhead seat, or folding side seats, all the seating in the R-29 S maximizes available space and usability.

Full Galley

The full galley aboard the R-29 S is a chef's dream, featuring a propane stove and oven with broiler, sink with pull-out rinse faucet, cutting board, ample storage, refrigerator/freezer combo, 110v outlet, wine/water cooler and microwave.

Solar Panel

The included solar panel helps to keep your batteries charged while you're boating off-grid. Now you can go further and stay longer without the need for shore power or a generator.

Bow and Stern Thrusters

Included bow and stern thrusters make docking and close quarters maneuvering a breeze. The wireless thruster remote allows for additional flexibility and control.

Cabin Atrium Skylights and Hatches

The cabin is open and bright, featuring overhead atrium skylights with heat reflective tint and opening rooftop hatches.

Standard Features

Performance

320 HP Volvo D4 diesel inboard
